Email: innovation@whut.edu

Please submit with the subject line including "ICIM2024" and make sure the completed Reply Notice is attached to the submission. After the submission, you will receive an automatic reply.

Once you receive the acceptance document

Name	Gender	Age
Post Title	Position	
Organization		
Address		
Zip Code	Nationality	
Telephone	Mobile	Email
Paper Title in English		
Paper Title in Chinese		
Confirmation of Conference Attendance	Yes	No
Topic classification (1-10):		

-
1. The paper should consist of the following parts in the right order:

Title → author's name → author's affiliations → abstract → key words →
introduction → main text → conclusion → references

2. All figures and tables must be included in-line with the text. Words in figures and tables must be printed in the required typeface and font size.
3. Table headers should be above the tables and centered. Figure captions should be below the figures and centered. Serial numbers of these figures, tables and formulas should be placed in order.
4. References must be more than ten entries and the information should be listed in strict conformity with the required sequence: [Serial number] Author's name. Title of the Book/Article [Literature type]. Publishing House/Journal Name, the year of publication: page numbers

Note: ① It needs to be indicated in brackets when the reference is in Chinese. ② As for literature types, [J] is for journal, [M] for monograph or book, [N] for newspaper, [D] for academic dissertation, [R] for report, [P] for patent documentation.
